Dear Financial Aid Officer:

I am writing on behalf of the Montana State Organization, a division of Delta Kappa Gamma Society International (DKG). This organization is a group of Key Women Educators organized in North America, Central American, and Europe to help promote professional and personal growth of women educators and excellence in education.

On the State level, we offer three \$500 recruitment scholarships each year to women studying to be educators. The brochure that I have enclosed explains the opportunities available to women who are moving into or are currently juniors in the field of education. I have decided to try both e-mail and snail-mail formats this year in an attempt to increase the number of applicants. As interested students come to you for information, please print/copy the brochure as needed. My hope is to keep mailing and materials costs to a minimum. We want to give this money to deserving young women so please encouragement them to apply.

If this information needs to go to a different person in your institution, please forward it to them right away. I chose you to receive this as you are a part of the financial aid office. Thank you for your time and for making this available to the students. The application is not difficult; however, the April 6 deadline for submission is approaching. Please encourage these young women to apply. We all know every little bit helps! Thank you in advance.

If you have any questions, please e-mail me at songlady@3rivers.net, or call/text 406-470-6107 or snail mail at: 281 22nd Rd NW, Dutton, MT 59433.
