

# Student Achievement Measures

As required by NWCCU and as part of a commitment to student success, Carroll College reports student achievement using the following measures:

- Persistence – the rate of new first-time full-time freshman who enter in the fall and persist to the spring
- Retention – the rate of new first-time full-time freshman who enter in the fall and persist to the following fall
- 4 Year Completion - the rate of new first-time full-time freshman who enter in the fall and complete a bachelor's degree within 4 years
- 6 Year Completion - the rate of new first-time full-time freshman who enter in the fall and complete a bachelor's degree within 6 years
- Postgraduation Success – the rate of students placed in desired postgraduation activities that are seeking employment, continuing education, military service, or volunteer/service as self-reported on the First Destination Survey

Achievement gaps exist and it is critical to identify those gaps to develop strategies to close achievement gaps. aggregated by

- Age – determined by age at entrance and categorized as “17-19” and “20 and Over”
- Race/Ethnicity – using the IPEDS race/ethnicity reporting categories
- Gender - using the IPEDS gender reporting categories
- Pell – students receiving Pell grants at any time during the measurement period
- First Generation – students whose parents known highest education attainment level is less than college/university
- State of Residence – home state categorized by in-state (MT) and out-of-state

Carroll College benchmarks the Student Achievement Measure on our historical performance as well as comparing our data to a set of peer institutions. The following institutions were selected to form a representative set of regional and national peers.

- Rocky Mountain College
- Montana State University
- Seattle University
- Gonzaga University
- University of Montana
- Whitworth University
